Dear Neighbors,

It has been a busy year for Philomath Community Services (PCS)! Dozens of volunteers and our newly-hired Executive Director were successful in providing services to hundreds of our local community members. Our work also prevented tons of food from entering the landfill—thanks to your generosity!

The challenges of many of our neighbors in western Benton County persist: food and job insecurity and the daily struggle of providing basic needs. Our programs are experiencing a decline in the amount of food Linn-Benton Food Share can offer to us. The annual operational costs to keep the lights on and the refrigerators humming is also substantial.

Summer Blueberry Clean

Your donation will be helping PCS to:

Grow over 700 pounds of fresh produce while teaching gardening techniques

Provide new and gently-used clothing to over 300 growing children

Reduce food insecurity to over 1,300 of our neighbors

Bring Holiday Cheer to over 100 local children and their families

Provide wood for heating to over 20 home-bound local residents

Community Garden Apples

The aim of PCS is to offer our services with compassion, dignity and respect. We take the stewardship of your donation seriously. We would be most grateful for any donation you are able to contribute. If you have already contributed to PCS, we thank you for your kind generosity!
