

Holiday Cheer Program Description and Instructions Philomath Community Services

Holiday Cheer is a program by Philomath Community Services that makes an effort to improve the holiday experience for families and individuals in need. We work with local businesses, organizations and community members to provide services to eligible households. Holiday Cheer provides gifts for children (aged 0-18 and living at home), a food voucher, hygiene basket, decorations and wrapping paper as needed.

Please be advised that Holiday Cheer cannot guarantee all eligible families will be served and/or receive requested items. If we are unable to serve your household, we refer you to Vina Moses who operates a similar program. Please do not apply to more than one agency. Information provided is cross-referenced to avoid duplication of services. Names of families and individuals applying will remain confidential.

Please complete the attached Holiday Cheer Application regarding your family, and the Child Data forms regarding your children. Please identify size clothing needs of each child, and specify interests and educational needs.

Once we receive the completed application, Holiday Cheer representatives will call you to clarify information and determine the level of assistance that can be met by Holiday Cheer.

2021 Holiday Cheer Deadlines:

Deadline for Application: Friday, October 29, 2021
