Philomath Community Services formally invites you to become a valuable sponsor for our upcoming fundraiser to **Celebrate 50 Years of Service**, on **August 7th, 2025 at 5:00 pm** at Cardwell Hill Winery. There will be a BBQ dinner served by Oregon BBQ, live auction, silent auction and live Celtic music. This event aims to raise vital funds and awareness for our mission to tackle hunger in our community, especially as we are seeing funds cut at both State and Federal levels.

PCS provides locally based programs to meet the basic needs of the people of West Benton County and the surrounding region to sustain healthy, resilient individuals, families and communities. We presently have five programs that provide food, garden education, clothing, select daily living items, and seasonal gift baskets to those local individuals and families who need these services the most. PCS is a volunteer-based organization that is a truly “neighbor helping neighbor” group of people who want to lend a hand to local community members. We need approximately 500,000 pounds annually of food, clothing, hygiene items to come through our doors to adequately assist hundreds of households in our community. We have well over 100 volunteers and put in an average of 19,000 volunteer hours annually.

Your sponsorship will help further the success of the event and give you and/or your business the opportunity to demonstrate your support for the continual need in our community. All proceeds from this event will directly impact our ability to provide food, daily basic needs, clothing to families and support in a crisis situation. With your sponsorship we can continue to help families in their times of need by addressing food insecurity, Hygiene, and providing families with clothing including diapers. In-kind donations are also appreciated and can include items for our silent auction.

Please see the detailed sponsorship proposal attached, we look forward to working with you and if there are any questions please reach out.

Thank you for your consideration,

Philomath Community Service
